

The 2007 Australian Festival Patrons

The Australian Festival is the largest Australian celebration held in the United States annually. It promotes and showcases all facets of Australian life in a friendly open festival format...

The Australian Festival Mission Statement Is: "To Celebrate and Showcase The Land Down Under"

We Achieve This Mission by:

- Operating The Australian Festival annually in the United States.
- Promoting Australian & American relations throughout the United States.
- Presenting and showcasing Australian Arts, Culture, Tourism, & Trade.
- Educating and empowering children with Australian programs and activities.
- Impacting and contributing to the local community that the festival operates in.

Now you can become a part of The Australian Festival and help us grow and support our mission...
